Large Animal Evacuation Tips:

- Keep your trailer in safe, working condition. If you don't have a truck and trailer, make arrangements in advance to have someone evacuate your animals.
- Know who is evacuating your animals.
- Be sure to exchange phone numbers, California Drivers license numbers and other relevant information with the person evacuating your horse or other large animals.
- Know where your animals will be taken
- Network with your neighbors; work together to help horse/large animal owners who are not home during an emergency.

SAFETY MESSAGE – The public is reminded to stay vigilant on current weather conditions. Please adhere to road closures and any evacuation orders. A reminder to drive slowly & yield to emergency personnel in the area. If at any time you feel unsafe, call 911.
